

PROFILE

I am a full-stack developer with a passion for coding and problem-solving. I have experience working with a variety of languages, frameworks, and databases, and I am constantly looking for ways to expand my knowledge.

PROFESSIONAL EXPERIENCE

Twelvesquares Technologies and Services Limited, Developer

Abuja, Nigeria

Contributed to the success of Twelvesquares by designing and developing a comprehensive website that effectively communicates the company's commitment to delivering 360-degree technology solutions to clients across Africa.

PluxScore, Full-Stack Developer

Abuja, Nigeria

Designed, developed, and maintained the front-end and back-end components of the web application. This included writing code for server-side scripting, client-side scripting, database management, and web development.

Kazeem Tanimu, Web Designer

Abuja, Nigeria

Crafted an engaging and visually appealing portfolio website, showcasing Kazeem Tanimu's projects, and achievements, with a focus on user experience and modern design principles.

Akmustech, Web Developer

Abuja, Nigeria

Providing support in maintaining clients' pre-existing websites, assisting with website customization, design, and deployment.

EDUCATION

Apex Star Academy, High-School

Jan 2014 – Sep 2016 | Abuja, Nigeria

Sadiq Salau

Full-Stack Developer
